Good Afternoon John, Your name appeared on a partial list that I saw of reporters who will/may attend the Personnel Recovery Conference at the Crystal City Hyatt next week. Would you be interested in interviewing Lt Col David Madden, the CSEL Program Manager? The best time to do the interview would be Tuesday. What do you think?

Sorry for the strange email I'm at March ARB today knocking out some annual tour for the Air Force Reserve.
Call me if you would like at (909) 655-4137
